TIPS FROM OTHERS ON...

FLEXIBILITY

"Our company runs multiple shifts, so we try to select a date that works for the majority of our staff. For those who cannot attend the picnic due to their work schedule we provide Any Day Tickets and HoliCash so they can still enjoy the park on a date that works best for their family."

WHO TO INVITE

"I would say the biggest factor is this is the only event we invite our employee's entire immediate family to, rather than just them and a spouse/guest. We also offer the option to buy extra tickets for non-immediate family members at our discounted price. It is honestly something our staff looks forward to every year."

REMINDERS

"Send out a reminder of their picnic date once a month after booking the date. The reminders come out once a month for six months or more and each time give a little more info."

TIMING

"Choose a date early and send that out to all employees. We choose a similar day and month every year, which helps keep things consistent. What really helps the turnout is employees get paid for attending the picnic. If they don't attend, employees must show up to the office and work a regular 8 hours."

The experience was fantastic! The price was excellent, customer service was outstanding, and we'll definitely be planning another group outing in the future.

– Jasmine Thompson, SBH & Friends

Great service! Our HR department was thrilled we had very little work to do because Holiday World handled everything. Martinrea had a blast, and we loved the extra touches, like the water park store wishing everyone a 'splashtastic day!' We truly appreciate all your hard work.

– Melissa Shoaff, Martinrea

We received wonderful feedback from our employees! Our sales representative made planning easy and was incredibly helpful with last-minute requests on the day of the event.
