## Park Map & Information

## Park Information

**Accessibility Guides** are available at [HolidayWorld.com/Access](http://HolidayWorld.com/Access) and at Holiday World Services.

**Active small children?** Pick up a free Phone Find Wristband (at Holiday World Services, Height Measurement, or St. Nick's Rentals) for your little one to wear, and we will call you if they get separated from you.

Our **First Aid Station** is the red-roofed building located in the Splashin' Safari locker area. Ask any Team Member for help if you do not feel well. A limited selection of medications is available in our gift shops.

**Games** for younger children (with an automatic win for each player) are located in 4th of July (Duck Pond at BOOstons Tea Party) and Halloween (Fried Frogs, Holidog's HammerTime, and Pumpkin Planko at Merlin's Castle).

**Halloween Costumes**, make-up, and accessories must be family-friendly. Capes, wigs, hats, scarves, and other items may need removed or secured before riding on some Holiday World rides.

**Height and Safety Requirements** are posted at each ride and online at [HolidayWorld.com/RidesGuide](http://HolidayWorld.com/RidesGuide). Please stop by Holiday World Services or a Height Measurement Station with any questions. For Holiday World's rides, height is measured with shoes on.

**Lost & Found** items are stored securely at Holiday World Services. Please stop by if you have misplaced an item or visit [HolidayWorld.com/LostFound](http://HolidayWorld.com/LostFound) and let us know what you're missing.

**Rentals:** Strollers, Wagons, Wheelchairs, and Motorized Scooters are available for rent at St. Nick's Rentals, just inside the front gate, on a first-come basis.

**Ride lines** may have restricted access near the end of the park day, as all ride operations cease at closing time. Some of our rides don't like the chilly weather; if it gets quite cool, we may have to adjust certain rides' opening and/or closing times. When temperatures dip below 60 degrees, we may close water-related rides. On Saturdays, Thunderbird and Crow's Nest will close at 7:30 PM. They will reopen after Dinos Soar in the Sky on October 11, 18, & 25.

**Weather:** Holiday World does not close in bad weather; rides continue to operate in the rain. If lightning, high winds, and/or other extreme weather occurs in the immediate area, some or all rides in both parks will temporarily shut down; they will reopen as soon as it is safe to do so. We encourage your family to wait out the storm and enjoy the rest of your day with us. Learn more about our Worry-Free Weather Guarantee and check eligible dates at [HolidayWorld.com/WorryFree](http://HolidayWorld.com/WorryFree)

### Special Menus

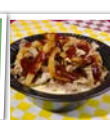

- Allergen-Friendly:** Santa's Merry Marketplace offers allergen-friendly menu items. See [HolidayWorld.com/Food](http://HolidayWorld.com/Food) for details.
- Gluten-Free:** Visit George's Gluten-Free Pizza & Snacks, located near the entrance to Holidog's FunTown in 4th of July. Some gluten-free items are also available at other food locations; see [HolidayWorld.com/Food](http://HolidayWorld.com/Food) for details.
