Please use this brochure as a tool to plan your gluten-free & allergen-friendly meals during your visit.

TIP: Please order items listed as "Special Order Allergen Items" at least one hour prior to your desired meal time. You may visit the restaurant location to place your order or we can take your information over the phone. These menu items take additional time to prepare, so ordering in advance will allow your family to continue enjoying the park as your meal is prepared.

Food & Beverage Management members have been trained and will answer your questions as you order.

For faster service, we recommend eating main meals during our slower food-service periods:
Before 11:00am and between the hours of 2:00pm and 5:00pm Central Time.

Ingredient lists and preparation practices are subject to change; please be sure to request current ingredient information from a member of our Food & Beverage Management Team before ordering.

While we make reasonable efforts to prevent common allergens from contaminating your menu choices, we cannot guarantee that any item is completely allergen-free. Santa's Merry Marketplace, Jungle Jake's, and Safari Pizza do have dedicated allergen-friendly preparation areas. We depend on supplier ingredient labels which may not always be accurate. Please use discretion when ordering items based on your dietary needs.

Our goal is to make your visit as carefree as possible! Feel free to contact us if you have any questions.

Our Support Office is open 8:00am to 4:30pm Central Time on Park Operating Days.
